President's Message

Welcome to the Virtual Annual General Meeting. The extended period of inactivity has not served me well. I did not spend much time with leatherwork until the call of the Annual Competition, then in a flurry I tried to relearn old tricks and habits. The results were a disappointment. I hope each of you has been able to work through downturn and avoid problems.

Our Society is shrinking, our ability to pass the craft to a new generation has been usurped by the internet. Our challenge will be finding a way to keep knowledge alive. More than Three years have gone by without a workshop being developed or given. If we can't do workshops, we can't draw new members. We can't sustain the Society unless we can draw new members. We have to learn new ways to do workshops.

The Fellows of the Society will judge the Second Virtual Annual Competition from photographs. The total entries and the number of Members are down but we do have first time entries from a new member and from an International Member-at-Large. This is a great way to present our craft for others to see. We have some great skills, we have to show them off... so get cracking.

Call to Order

By Lauch Harrison at 10:06 a.m. Lauch read his President's Message to all present:

Welcome to the Virtual Annual General Meeting. What great changes the last year and a half has brought to our Leather Working Society and Canadian Society. The time has gone by alternating from very quickly to a dead stop. Without our normal milestones it seems so little time has past since we met last in Norland. The extended period of inactivity has not served us well and if I use my own experience, I did not spend much time with leatherwork.

The Society continues to shrink, but we will continue for our members until our funds are gone. Our ability to pass along the craft to a new generation has been usurped by the internet and the myriad sites with information, patterns, videos and chat rooms that are free and easy to use. Our challenge is finding ways to remain vital, offering workshops is one avenue. Two years have past and one workshop was developed or given. We can't sustain interest in the Society unless we can draw outside interest for two reasons; income and introducing the Society to potential members.

The Fellows of the Society judged the First Virtual Annual Competition from photographs and I congratulate them on the effort and thank them for the time spent.

I hope this is not the only way to present our craft for others to see. I hope we will gather, do workshops, demonstrations and have some real Annuals in the coming years.

e) Council of Fellows Report- Sean Dalgetty, FCSC

The Fellows of the Society met twice this past year, both meetings were held virtually on a ZOOM call. The first meeting was to set up the parameters for the First Virtual Annual Competition and the second meeting to judge the entries. The Members of the Society were able to send photographs (via email) of their work into the website, from the emails, the photos were uploaded to google albums. The Virtual Judges – Lauch, Sean, Betsy, Kim & Karen were tasked to set up their own personal scoring systems and arrive at a score from 0 – 5 on each entry. The scores were averaged and sorted this gave an order of highest score to lowest.

Not being able to see, hold and understand the construction of the physical entry proved difficult and future virtual competitions will include an explanation of the work or techniques used.

We had 26 entries from 8 Members, 3 General Members and 5 Fellows, from those entries 13 were awarded Craft Certificates and 12 were Awarded Salon Certificates. The Judges were able to award Best General Members Piece and Best Fellows Piece along with the other awards and they are as follows:

Irva Ford Award for Best Moulding -Tammy Paddon for Zippered Molded Eye Glasses Case
Robert Muma Award for Best Tooling or Colouring - Gregory Belenky for Abduction of Proserpine
Best Hard Sculpture Award - Kim Winchester for Growling Bear
Woodstock Heritage Award - Sean Dalgetty for Veg Tanned Purse

CSCL Workshop Report for the Virtual 70th Annual 2021

The Committee presented one workshop in the Norland School Hall Community Centre. Using this workshop space allowed our presentation to be done at minimal cost. Thanks to the dedicated Norland Executive for their support and co-operation.

Lester and I went up on a beautiful Saturday in October, to present a sharpening workshop. I brought a handout on sharpening the usual tools head knife, French edger, Round edger, Shears etc.

The workshop attendees set about tuning up their tools consuming sandpaper all participants got two sheets of abrasive paper to take home. Lester did some work on some braiding a mystery braid bracelet. The workshop cost \$10.

I donated a French Edger to raffle off.

Our Workshops drew 8 participants.

Please consider some projects and send your ideas to the committee, we will then put some programming together and make a workshop.

Our memberships have risen to 8 people. We have our meetings in the home of Colin and Tammy Paddon. The Paddon's have been members for some years now and have opened up the basement workroom that is a super work area. Members-At-Large (MAL) REPORT- Respectfully submitted Lauren Malec, MAL Representative

Seventy years already! Heureux anniversaire à tous!

CANADIAN LEATHERCRAFT featured the MAL CSCL Library Review for a fifth consecutive summer except with a twist. How well did you score on this book quiz?

At the Thorndale Fall Fair, Community Centre, one MAL (2006) demonstrated her fish leather acorns alongside a past member's molded leather goats display. Local news reported, in late February, that this building succumbed to an overnight fire; their city intends to rebuild for Fall 2020.

This year two Woodstock Branch (inaugurated at the 18th Annual) pioneering members passed away. A Craftsman Award winner and their first branch President, Beula Reynolds was in her 98th year (CANADIAN LEATHERCRAFT, Summer-Fall 2019). Loreen Manuel, their first branch Vice President, and benefactor of the CSCL Fund - Teaching in Leathercraft was 97. Their untiring commitment to leathercraft resonates beyond today.

Executive Council Meetings were attended by the MAL Representative, notably March and April newly held via ZOOM video conferencing service.

In light of the 27% MAL membership attrition this year, rest assured that a solid CSCL foundation already exists.

Buildup leathercraft: slip a cutting mat under your computer keyboard!

Respectfully submitted, Lauren Malec, MAL Representative

“Together Apart – 70 plus ONE!”

At the May 2020 Executive Meeting, a motion was carried for the MAL Representative to fill the position as Executive Council ‘Backup Secretary’ of the meeting minutes which are held via Zoom.

Since September’s notice of the newly formed Ongoing List of Interesting Leathercraft Websites by the Executive Council, three contributing MAL were featured in CANADIAN LEATHERCRAFT, Fall 2020.

Craft Ontario, formerly Ontario Craft Council, surpassed their fundraising goal in a November online auction, For the Love of Craft, where one MAL had generously donated 13 handmade leather boxes.

MAL, Honorary Life Member, Dorothy McPherson passed away peacefully on February 24, 2021. Dorothy, an international folk artisan/writer, joined CSCL in 1990, tirelessly promoting leathercraft over the years: Craft Ontario liaison, Editor/Contributing Writer, Workshop Instructor and co-founder CSCL London Jewellery Award. We remember her fondly in the upcoming CANADIAN LEATHERCRAFT periodical.

Via email, we caught up with MAL, Honorary Life Member, Madeleine Mitchell, and learn about her New Cell Phone Leather Case, a custom project featured in CANADIAN LEATHERCRAFT with photos.

Sustaining Member and MAL, Sea Leather Wear, shipped suede and glazed, carp and salmon skins from Alberta to the Executive Council – an initiation of hope and expectation that all in-person meetings will begin again in our new membership year.

“Per ardua ad astra.”

Respectfully submitted, Lauren Malec, MAL Representative

Branch Reports for 2021-22

Norland Branch - Respectfully Submitted by Tracey Howard

We were unable to have meetings during 2021 because of COVID and the Norland School Hall Community Centre being closed. We were very happy when we got the word that the facility was opening up again in early 2022 and we held our first meeting on March 9. The group worked on making little peoples leather moccasins.

Mississauga Branch – Respectfully Submitted by Jim Wilkes

Due to the Covid-19 pandemic there were no meetings held and we hope to start-up in September 2022.

Hamilton Branch – Respectfully Submitted by Lauch Harrison, FCSC

Hamilton had sporadic meetings when the Covid Restrictions were relaxed. We covered sheath making and using soft chrome leathers to do hats and slippers. Our Membership has dropped from eight to six. We try to meet 1st and 3rd Wednesday of the Month at Colin and Tammy's basement workshop. We are looking forward to the coming year to bring some projects to next year's judging.

Council of Fellows Report: by Lauch Harrison

The Fellows met twice discussing issues revolving around judging photos. Seven Fellows were able to judge the entries in the 2022 Annual Competition.

The Judges viewed the photos and marked each entry out of 10, based on their own standards, then judged the entries for Craft and Salon Ribbons. Allowance was made for entries that did not have the minimum quantity, missed angles, were of small size and poor focus.

Twelve entries were from four General Members, three entries from one Novice General Member, and three entries from two Fellows were judged. A total of 18 entries.

Ten Craft Ribbons were awarded to seven Members. Two Salon Ribbons were awarded to one Member.

The Best General Member Entry was the only Level award given due to lack of Associate and Fellow entrants.

Judges awarded the following cash prizes: Betty Heacock Memorial Award for Best Novice Entry \$50, Robert Muma Award \$50 for Best Tooling or Colouring, Woodstock Heritage Award \$50, and Best in Show \$50.

Special Report

Nancy Durham, FCSC, was awarded an Honourary Life Membership, CSCL. She was unaware of the nomination and completely surprised when Lauch asked Lauren to lead the Special Report with a reading. She began with Nancy's one-page Biography from the CSCL 2010 Biennial, *CONTAINMENT*.

Madeleine Mitchell, Honourary Life Member, former Woodstock Branch member was unable to attend and Lauch continued with her presentation:

Hello CSCL Executive, Members, and Friends,

When I moved into an apartment with my husband, Dean in 2018, I made sure to take along as much of my leather and tools as I could. Nancy Durham was kind enough to help me sort through my stash, and we shared stories of CSCL workshops, Annuals, and projects...and of course, the wonderful, generous, kind people we encountered in CSCL in over more than 40 years!

Nancy has been my CSCL soulmate with amazing leathercrafting skills - she has imagination, creativity, and great construction abilities. I would bet that wallets and belts she made 30 to 40 years ago, are still in use!

Nancy has always been willing to take on administrative duties at both the CSCL Executive level and in our past Woodstock Branch.

She often conducted Workshops and brought new members into CSCL. It was not surprising that she quickly rose from a mostly self-taught leather crafter, to Associate, and then Fellow of CSCL. Her articles have received many awards and ribbons.

It is my Honour to announce that, my friend, Nancy Durham FCSC, will become the 2022, Honourary Life Member of CSCL.

With heartfelt Congratulations Nancy!

Finally, Lauch ended by sharing more comments from nominating members:

Very faithful, reliable, cheerful, always willing to help.

She was so helpful in driving me to Annual meetings and Fellow Judging assignments. Good spirited. An excellent technician and leatherworker having produced many, many prize-winning items. Knew her leathers so very well. Worked for the betterment of the Society. Always a fair, knowledgeable judge when evaluating articles. A patient instructor. Always had many samples of the workshop's project ready for the class. Well deserved recognition. Carol McLean, FCSC, Life Member

Videoconference audio reception cut out and Nancy immediately re-joined the AGM expressing thanks to all who contributed to this award. A full write-up of Nancy's lifetime in leathercraft along with excerpts of a saved newspaper feature article, The Expositor, Thursday, July 20, 2000, will appear in the next issue of CANADIAN LEATHERCRAFT.
