

Feeling Creative?

One of our Corporate Members - Stanley Major from Sea Leather Wear supplied Fish Skins to the CSCL. The skins were sent to the Branch Presidents to be distributed to branch members. The MAL were contacted by Lauren to see if any of them wanted a Fish Skin to use in making an item. Seek out your President and ask for some skins if you weren't aware of them.

At the November Meeting of the CSCL Executive, a motion was passed to introduce a onetime Award at the 2023 CSCL Convention for the best item made using Fish Skins in its construction.

The Prize is \$50.00
