

Della Bryant Chynoweth

Life Membership

Della's mother started leather crafting in 1957 when she attended night school at Fenelon Falls High School. Her mother would get orders for wallets for Christmas and have her daughters help with the lacing.

Needless to say with all the leather and leather tools in the home she started doing leatherwork.

Della joined the Norland Leather Guild when it was formed.

She joined the CSCL October 31, 1978 and she has been a CSCL member longer than any other member currently belonging to the CSCL.

Over the years Della has been a member of the Norland Guild, the Toronto Guild, a MAL and then back to the Norland Guild.

Della has attended many workshops and helped with others during her membership.

Della became the CSCL Treasurer in 2006 and has held that position ever since, keeping out money in order.
