PRESIDENT'S REPORT

- 4 -

I wish to welcome the members and guests to the 25th Annual meeting of the Canadian Society for Creative Leathercraft. Your attention is directed to the minutes of the 24th meeting held in Belleville and to the reports of the various officers and committee chairmen. The reports give a full report of Society activities, however, there were events during 1974-75 which were not covered by committee reports.

Ten of our members attended the Annual Meeting of Canadian Guild of Crafts (Ontario). C.S.C.L. members also contributed a number of leather articles which were exhibited for the month of April 1974 at Canada Life Place, the setting for this meeting.

The World Craft Council conference "In Praise of Hands" was attended by ten of our members. Held at York University, the many facets of the world of crafts were enjoyed by all who attended. Daphne Lingwood provided the only demonstration featuring leatherwork, which we all made sure to attend. Canada and the working committees responsible are to be congratulated on a most interesting week. Mrs. M. E. Hogg, is Vice-President, North America.

Two delegates from C.S.C.L. - attended the C.G. of C.(Ontario) Affiliates week-end conference held at Georgian College, Barrie, Jan. 31st. and Feb. 1st, 1975. Theme "Future of the Guild". Report of this conference and articles on the Affiliate members will appear in the April-May issue of Craft Dimensions. A copy is to be sent to all our members.

Forty-five of our members took advantage of the \$1.00 membership in the Ontario Craft Foundation, which entitled them to receive the "Craft Ontario" magazine.

Our membership reached 211 for 1974-75. There were six executive council meetings held--attendance averaged 18. The Branches met monthly from October to June with many aspects of leathercraft being demonstrated and experiments tried. The Larmour Memorial Library is presently being catalogued and will be circulated shortly.

Again death has taken some of our members--Mrs. Reta Lamour, HLFCSCL, our Honourary President, and Mr. Sandy Coutts, a member of executive council. There have been others in the Branches I am sure, but unless you let us know sometimes we miss hearing of members who have left us in death.

MINUTES OF THE 25TH ANNUAL MEETING - 1954
President's Report - continued

We have enjoyed an exceptionally active year and I wish to thank the Officers and Executive Council members; the various Chairmen and their committees for their co-operation and support of C.S.C.L. Some of who have been called upon to carry very heavy work loads. The successful programs we have produced occurred only because everyone worked together. THANK YOU, one and all.

Respectfully submitted

Helen M. Wheaton,
President.

After Election

This will be the last time I will speak to you as your President. It has been my pleasure to serve you on the many occasions happening in the past three years, and now on the Occasion of the 25th Annual Meeting. It is certainly amazing when one realizes our Society not only has survived 25 years--but is a growing organization, as the membership shows. Our constitution is sound. God willing we may be around another 25 years. Alleluia! A-men.

As to the Future - The Society will be in capable hands and I have only good wishes for my successor and ask that you give May Corbett and her executive the same willing support you have given me.

Retiring President

Helen M. Wheaton.

Moved-Fred Brown/George McPhail that the minutes of the last Annual Meeting be accepted as recorded.

Moved-by Treasurer George McPhail/Gladys Riddell that the Treasurer's report be accepted.

The highlight of the morning came when the Weston Trophy Award was presented by May Corbett, Vice-President of Branches. She explained some of the trophy's history to those gathered. The trophy was won by Barrie Branch with a mark of 84%. Anne Hook commented on the articles.

The results were as follows:

- | | |

LIBRARY COMMITTEE REPORT

This committee was first set up in May of 1971, when the tools and books owned by Ralph and Reta Larmour were donated to C.S.C.L. It was felt the books would form the basis of a permanent Library, which has now been named "The Larmour Memorial Library".

The tools and Leather were sold at auction on three different occasions to Fellows and Associates being finalized at the Annual Meeting in Belleville. The result of the auctions produced an amount of \$1,080.00, which has been in a separate bank account, in trust, administered by the committee. These funds are to be spent in maintaining the library. A stamp was bought and each book is stamped "property of C.S.C.L." and "Larmour Memorial Library". A proper Library code has been set up and proper circulating library boxes have been purchased. As time goes by new books will be added to the present list.

Respectfully submitted

Fred Brown
Chairman.

In 1974 the ANNUAL MEETING of the COUNCIL OF FELLOWS was held on March 29th, at the home of Mr. & Mrs. Robert Muma.

Articles were submitted for ASSOCIATE MEMBERSHIP by four CSCL members.

Two members were elected A.C.S.C.L:

Joyce Poulson	80.8 awarded the Zalitis Pin
Howard Brock Sr.	77.5

There were no entries for F.C.S.C.L.

Five Branches competed for the Weston Trophy. It was won by Barrie Branch with a percentage of 84.

Clara Cavanagh resigned as Chairman of the Council of Fellows, and Anne Hook, Secretary, was appointed Chairman. Jessie Little was appointed Secretary.

Meeting of the Council:

May 24th - The Council of Fellows met at the home of Mr. & Mrs. Muma for the purpose of selecting articles for the LEATHER '74 EXHIBITION. 68 pieces of leathercraft were accepted. The following day, the prize pieces were chosen by Paul Bennett and Robert Muma.

June 3rd & 4th - The exhibition was set up in the Learning Resources Centre - Toronto Public Library, 666 Eglinton Ave. W., Toronto, where it opened on June 8th.

Jan. 17th, 1975 - A brief meeting of the Council was held prior to the monthly meeting. It was decided that the method of marking remain as it now stands; also, that the number of Fellows jurying remain at FIVE. Since no agreement was reached as to a special activity for the Fellows and Associates, the Fellows were asked to consider this and advise what they wish.

Feb. 14th - The Larmour Library Committee met at the home of Fred & Phyllis Brown at 9:30 a.m., to prepare listings of the books, sorted as to subject matter, title, publisher, etc. preparatory to typing on the Library cards.

Council of Fellows - continued

Feb. 21st - The Committee met again, to continue the above. The boxes have now been purchased, and if the typing can be done on the cards, hopefully the Library may be ready for the Annual Meeting 1975.

Respectfully submitted,
Anne Hook,
Chairman Council of Fellows.

EDITORIAL REPORT

Another year has gone by and we are still struggling to obtain enough material to print "Canadian Leathercraft" four times a year.

We would like to thank the members who have co-operated in the past by sending in articles. We still need technical articles, lots of them. It is our aim to print a technical article in each edition but sometimes this is impossible to do.

Thanks again and hope for a bigger and better year coming up.

Respectfully submitted,
Joy Hutcheson.

EXHIBITIONS

It is with pride that we look back to the third major exhibition of the Canadian Society for Creative Leathercraft which was held in the Forest Hill Library, Learning Resources Centre, 666 Eglinton Ave. W., Toronto, from June 3rd to June 28th in 1974. We were honoured to have Mr. Robert Secord from the Ontario Ministry of Community and Social Services officially open Leather '74 on June 8th. In spite of extreme heat that evening, the attendance was excellent.

There were 92 articles of leather entered by 33 people in Leather '74. Of these, 68 pieces were on display. The judges, Mr. Robert Muma and Mr. Paul Bennett awarded the four prizes to Itsuko Yasui, Daphne Lingwood, Anne Hook and Irva Ford. Six craftsmen received Honourable Mention: Clara Cavanagh, Daphne Lingwood, Rex Lingwood, Jessie Little, David Trotter and Paul Williams.

Our Society acquired seven new members as a result of the Exhibition. Four articles were sold.

Many visitors viewed our show and Mrs. Helen Judkins from Pointe Claire, Quebec and Mrs. Page from Thornhill Library, Toronto, both asked for an exhibition of Leather to be forwarded to them. These exhibitions were both extremely well received and the reviews in the papers were most encouraging.

The Annual meeting of C.S.C.L. in Belleville had an attendance of 95 including 4 visitors. Over 300 articles of leatherwork were displayed.

The exhibition and sale of leather at the C.N.E. under chairman Robert Sutton was again a success. Thirty-four members sent 1,584 articles for sale. Total sales were \$4,892.30. Choice articles, not for sale, were on exhibition in the wall cases. Our sincere thanks goes to Robert Sutton, his assistant Gladys Riddell, and members who worked at the sale.

A few of our members entered the Canadian Guild of Crafts juried exhibition at the C.N.E. Anne Hook was presented with the F.W. Woolworth award for "Best Leather". Daphne Lingwood won the Tandy Leather Co. Award for Decorated Leather, and Rex Lingwood received the C.S.C.L. Award for Best Functional Design. In the Women's Division competition at the C.N.E. several C.S.C.L. members won prizes. Jessie Little was the winner of the Chatelaine Award for Best Leatherwork.

Exhibitions - continued

Another important event in 1974 was the Design Canada Awards competition. Rex Lingwood, Irva Ford and David Trotter received cash awards and certificates at a dinner at the Regency Hyatt Hotel in Toronto. The Design Canada Award pieces were exhibited both in Ottawa and Montreal.

During the World Crafts Conference, the Canadian Guild of Crafts had a 'Master Craftsmen's' Exhibition at York University Art Gallery. Paul and Beverley Williams, Daphne and Rex Lingwood and Irva Ford had 2 articles each on display. At the Science Centre, where the exhibition "In Show of Hands" was shown, Daphne, Rex and Irva had work exhibited during the weeks they were demonstrating leathercraft.

Our fourth C.S.C.L. Exhibition is already booked for March 1976 in the new gallery of Can. Guild of Crafts near the Ontario Art Gallery, Toronto. Let us accept the challenge and start working now for Leather '76.

Respectfully submitted,

Irva Ford
Exhibitions Chairman.

BARRIE BRANCH ANNUAL REPORT

The Barrie Branch C.S.C.L. meets on the fourth Wednesday each month at one of the local schools. During the past season we held ten regular meetings at which business was conducted and a demonstration or workshop held. Some of the items demonstrated were- Turtle lapel pins, Carving a pine cone, How to dye Nature Tan leather, Decorating with dyes and How to prepare a paper pattern for a purse. The meeting on purse patterns was followed up by a Saturday workshop on purse construction at the home of Kay Naftel.

Even though the public transit workers were on strike the Barrie members managed to get to Toronto on four days to assist at the C.S.C.L. booth at the C.N.E. Arts Crafts and Hobby Show. At the local level, we again took part in the open air sale, Huronia Festival of the Arts, at the waterfront in Barrie on Civic Holiday weekend. We also had a leather display and sale at a Craft Tea at one of the local churches. For the first time we embarked on the venture of holding our own Pre-Christmas sale of leather for one day in a shopping mall. We are pleased to report it was a great success and we hope to make this another annual event.

The Weston Trophy hung in Barrie during the 74/75 season thanks to the talent and efforts of five of our members (Sherle Bottrill, Clara Cavanagh, May Corbett, Emma Knowles and Gary Walsh). The judges awarded the trophy for a total mark of 84%. Several of the Barrie members had articles accepted for display in the "Leather '74" prestige show with Clara Cavanagh receiving honourable mention for her green combination tote-bag and purse. She was also awarded three first prizes and one third prize in the C.N.E. Craft Show.

We held social get-togethers for members and guests in the form of a summer barbeque and a Christmas Pot-luck supper.

TORONTO BRANCH ANNUAL REPORT 1974-75

This year has been a very active one for the Toronto Branch, with average meeting attendance of 22.

In early summer, 1974, an executive group of senior citizens from this Branch was formed, and a New Horizons Federal Government grant was applied for and approved by early autumn. The funds applied for were for the purchase of an electric typewriter, a duplicating machine, and stationery....this for the use of recording copies of all lectures for the members, and methods demonstrated, so that various techniques of leathercraft would be kept available for leathercrafters in future years. As well as this office equipment, there was a funding of \$1,000.00 allowed for the purchase of leather in large quantities, this to allow the members to purchase good leather from the society at close to wholesale prices, this fund to be constantly replenished by the purchase funds, by charging slightly more than the purchase price..this is already in operation, and seems to be working quite favourable.

Our meetings have been run this year not so much as demonstrations, but rather as workshops-in-miniature, with many of the members working along with the demonstrator to improve their skills.

The October meeting was devoted to discussing the types of leathers to be purchased with the new grant, and then the November meeting was a workshop on wax-dyeing, and string dyeing, presented by Kay Cloughly. The December meeting was on the subject of resist-dyeing, and decorative design, by Mary Patterson, followed by the gentlemen of the club providing us all with a Christmas-party refreshment table of monumental proportions.

January's meeting took the form of a workshop on woven wallet making, capably done by our President, Gladys Riddell, and in February, Jessie Little had everyone in a colourful mood with a mini-workshop on dry brush dyeing technique, and a general discussion on dyes.

Yet to come are the following:

- March - Bob Sutton demonstrating saddle-stitching and thread making,
- April - Fred Brown ensnaring us all with methods of lacing,
- May - R. Potter demonstrating the art of book cover repair.

June has been set aside for a reunion of all past and present Toronto Branch members.

Following each meeting there have been refreshments served.

Toronto Branch - continued

The following executive served for the 1974-75 season...

President - Gladys Riddell
Treasurer - George McPhail
Secretary - Pamela Frith

Respectfully submitted,

Mary M. Patterson,
Secretary.

WOODSTOCK BRANCH ANNUAL REPORT

Woodstock branch of C.S.C.L. meets on the 4th Thursday of each month at Springbank School, Woodstock. During the C.S.C.L. year 10 regular meetings were held with an average attendance of 11 members. Workshops and demonstrations followed each business session. These included macrame knotting, mystery and Mexican braiding, bottle covering, leather molding, lampshade making and soft handbag framing. Demonstrators and instructors included: Carol McLean, Nora Huyck, Beula Reynolds, Edith Melchoir and Hilda Darbyshire.

As many members as possible participated in the sessions at the C.N.E. unfortunately illness of key members prevented participation in the Galt Craft Fair this year.

Highlight of the year was a workshop led by Pat Hart of Georgian College, who gave an excellent presentation on Design.

We enjoyed our Summer Barbecue and Christmas get-togethers, and look forward to a busy and rewarding 1975-76 year with C.S.C.L.
