PRESIDENT'S REPORT:

- 2 -

I extend to everyone a warm welcome to our 28th annual meeting. In order to save time, your attention is directed to the minutes of the 27th annual meeting held in Stratford and also to the reports of the various officers and committee chairpersons.

Once again, it has been rather difficult to arrange executive meetings due to the severe weather. However, we did manage to have 6 meetings in order to keep the wheels of the Society rolling. At this time, I wish to thank those members of the Executive Council for their assistance and dedication to the work taken on by them. Some of the jobs are very time-consuming, I know, and I really appreciate their efforts. I am sure the general membership does, too.

We had a successful sale and demonstrations at the C.N.E. during 1977. And we will be participating again in 1978 - which is a special year, being the Centennial of the C.N.E. It would be appreciated if all members working in the booth this year would dress in period costumes. If you don't know of one you can borrow, there is lots of time to make one up. Let us assist the booth convener by offering our help on as many days as possible. If you have never worked in the booth, you do not know what you are missing.

This is the year of our "Biennial Exhibition" to be held in November at the Etobicoke Civic Centre. I hope everyone is busy planning his/her outstanding piece of leatherwork as we cannot have a show without the special effort of all the members. These exhibitions were one of Irva's pet projects, so let us all put forth an extra effort this year as a tribute to Irva.

We are delighted to welcome into our Society a new branch from Southern Ontario - Windsor. We hope they will find their association with us both helpful and enjoyable.

I thank those members who represented me at the O.C.C. meetings of affiliated groups. I am sorry I have not been in a position to attend but I always knew the Society was well represented.

To those branches who lost valued members through death, and those members who lost loved ones through the year, I express our deepest sympathy. It seems as we get older we are saddened more often.

- 3 -

Our librarian, Jessie Little, and her assistant, Jean Hunter have worked very hard this past year to give our members-at-large the chance to participate in the "Larmour Memorial Library" - so, be sure to see Jessie before heading home, thank her and Jean personally, and take some good reading material with you.

I have enjoyed my term of office as your president and wish to express my thanks to everyone for their willingness and dedication to the work undertaken by them.

I wish the incoming president, Beula, every success.

Respectfully submitted,

May Corbett,
President.

MINUTES OF THE 27th ANNUAL MEETING C.S.C.L. 22 April, 1977
Host Branch - Woodstock, held at the Victorian Inn,
Stratford, Ont.

The very comfortable Victorian Inn at Stratford formed the setting for the 27th Annual Meeting of C.S.C.L. The general meeting was called to order by the president, May Corbett. She then introduced Carol McLean who welcomed all those present on behalf of the Woodstock branch members who hosted the 1977 meeting. Carol thanked the others who had worked with her in making preparations and announced that there would be a guest demonstrator this year in the person of Mr. Lonshlager who represents Norton Products Ltd. Mr. Lonshlager will demonstrate the proper way to care for our tools, using Norton sharpening stones.

The minutes of the previous Annual meeting were accepted as circulated on a motion by Fred Brown, seconded by Anne Hook.

A motion to adopt the various reports as recorded in the 1977 Annual Report was made by Ruth Haig, seconded by Hope Drysdale.

The president, May Corbett, thanked those who had acted on the Executive Council or assisted the Society in many ways during the past year. The various branches were exhorted to seek out new members. May told of her visit to the home of a charter member and the first president of C.S.C.L., Deane Russell. Mr. Russell was presented with a past president's pin in recognition of his great contribution to the Society.

Sherle Bottrill, corresponding secretary, read a letter from a member, Howard Brock of McKees Rocks, Pa., U.S.A. who regretted his inability to be with us this year.

As usual, the highlight of the meeting came with the presentation of the Weston Trophy to the branch obtaining the highest percentage for a display of five articles made by different members. Beula Reynolds, 1st vice president explained the origin of the trophy, and made the presentation to Gladys Riddell, president of the Toronto branch. Gladys introduced the five persons who had completed the articles which won for their branch, with an average mark of 88%. The competition was keen and the winners were closely followed by the Hamilton and Woodstock entries. Nora Huyck, assisted by Olivia Smith, gave the descriptive

commentary on the Weston Trophy articles. There were no members trying for their Associate or Fellow standing this year.

The president welcomed the new members to the Executive Council and thanked those who had given loyal service over past years.

Jessie Little, Chairman of the Library Board, called for donations of books from members or any of their friends who are no longer actively working in leather. If you have some books or know of someone who might be interested in donating some for the use of others, please contact Jessie Little, Snelgrove, Ont. L0P1M0. Clarice Packham, a member well known for her beautifully constructed gloves, had brought some books to the Annual for this purpose. Jessie also reminded the branch librarians that we now have a very complete library of books on leathercraft and other crafts for circulation to the various branches on a rotation basis. From time to time new books are added to the boxes and these must be added to the lists attached to the lid of each box. Any books that are returned too late to be put in the proper box must not be inserted in any other box. They must be returned to the librarian so that they can be returned to the correct box.

We also have some reference books which are too large or heavy to be included in the circulating boxes. A list of these books will be circulated at a later date. Jessie has done extensive work with the members-at-large and hopes to work out a system so that they also will have access to the library. Jessie was thanked for her devoted and excellent service as librarian by Kay Cloughley on behalf of all the C.S.C.L. members.

Announcements included the dates and locations of various summer programs and workshops of interest to the leathercrafters. Bulletins from past years are available again this year at 3 for \$1.00. Draw tickets will be on sale during lunch and

coffee breaks.

Gladys Riddell announced that the Toronto branch was making up an order for Mission Grain leather to be ordered from Norbert Steffan, Buffalo. This leather will cost \$2.25 sq. ft. plus Ontario sales tax, plus duty, plus U.S. exchange. Any branch or member interested should contact Gladys as soon as possible.

An invitation to hold the next Annual Meeting in Toronto was extended by Gladys Riddell, the president of Toronto branch.

The next executive meeting will take place at the home of Fred and Phyllis Brown, 9 Nashland Avenue, Islington, Ontario on May 27th, 1977.

The business portion of the meeting was adjourned. Carol McLean introduced Fred Brown, Anne Hook and Helen Wheaton who acted as a mock panel of judges from the Council of Fellows who met to judge articles submitted for the Weston Trophy, Associate or Fellow standing. By means of a flip chart we were given a demonstration of the marking system applied to each of the articles to be judged. May Corbett thanked those who participated in this part of the meeting.

The Annual Meeting was adjourned on a motion by Irva Ford, seconded by Jack Meharg.

After lunch a full afternoon of demonstrations provided an opportunity for members to learn new techniques or review old ones by attending the wide variety of demonstrations given.

The delicious dinner was followed by a period of entertainment provided by a pianist and his friend who lead us in a singsong and musical game interlude. The guest speaker, David Darbyshire, was introduced by Sherle Bottrill. He gave a talk on the experience of his wife Hilda and their family while living in West Irian (New Guinea). To illustrate his talk he showed slides taken during their residence there, and Hilda assisted by showing some of the artifacts and crafts from the area. This was truly an interesting and informative end to a great day.

Those who were available on the Sunday morning were treated to a bus tour around some of the historical and interesting sites of Stratford, including a closer look at the Stratford Shakespearean Theatre and a local Pioneer Museum.

Recording Secretary

EDITORIAL REPORT

I would like to thank the people who helped make it possible to publish four issues of "Canadian Leathercraft" this past year.

It is yours to contribute to according to your experience and interests. The more active you become in supporting "Canadian Leathercraft" the more value it will offer you and your fellow craftsmen.

Lets make it a success again next year. Articles, items of interest, etc. are always required publications. Why not prepare an article now? Articles are also being collected for a "member-at-large" issue -- more material is required.

Margaret Monteith

BARRIE BRANCH ANNUAL REPORT

The regular meetings of Barrie Branch C.S.C.L. were held in St. Monica's School with an average attendance of eleven members. During the year 1977-1978 two executive meetings were held. In May, 1977 a demonstration was given by six members to a combined class of French Canadian and Ontario children at the Rama Public School near Orillia. Kay Cloughley directed the instruction of tooling, carving, pendant making, dye techniques and the owl mobile. Twelve members enjoyed the annual bountiful pot-luck dinner at Helen Anderson's home in July.

The Christmas party held December 11th took the form of a workshop at Clara Cavanagh's, followed by a pot-luck dinner at May Corbett's

During the year we were privileged to have demonstration-workshops by the following gifted craftspeople:

May - Jack Meharg of Toronto C.S.C.L. on belts and holsters with special emphasis on the use of the wooden belt stripper.

June - Anne Hook of Toronto C.S.C.L. the skill of making linocuts.

September - Paul Williams of Bethany, Ontario the unique art of sculptural leather pieces.

November - Fred Brown of Toronto C.S.C.L. his secrets on making a removable book cover.

February - Gary Walsh of Barrie C.S.C.L. the technique of constructing a case - i.e. - camera or binocular.

At our regular meeting in September, Kay Cloughley gave us a concise coverage of belt making and several belt blanks were cut on our newly acquired wooden belt stripper. In October, Clara Cavanagh demonstrated the making and designing of leather trays. Clara also covered the construction of wallet interiors and patterns were exchanged. In January, May Corbett demonstrated her technique on bottle covering.

In early November, we had a very successful sale at Georgian Mall. The percentage rebate realized from the sale provides funds for the Barrie Branch to entertain visiting craftspeople.

BELLEVILLE BRANCH ANNUAL REPORT

First of all we had an enjoyable time at the convention in Stratford as guests of the Woodstock Branch.

We were grieved to hear of the passing of Irva Ford and we know that other branches will miss her as much as ours. We feel privileged to have known such a gifted person.

During the 77 & 78 season we made a couple of owl projects. One was an owl mobile as demonstrated at convention last year. We also made brooches and pendants from various patterns brought in by our members.

We have done some recycling of empty juice cans into covered footstools using leather, suede, and other materials as desired.

We are now making lampshades from fibre glass, dried flowers and leather.

During the year, the members have been working on individual projects beside our group projects, covering such topics as gloves, purses, picture frames, attache cases, wallets, teaching senior citizens, etc.

We have tried to arrange a workshop with the Tandy manager in Kingston, but as yet we have not found a convenient time when he can come and we can have a good representation of members present. We will keep trying!

Throughout this year, we have called on the abilities of our own members as instructors for our projects.

We also attended the Exhibition: serving two days in the leather booth.

The Belleville Branch is looking forward to the '78 convention where we meet old and new friends and exchange old and new ideas.

Marilyn Harry
Secretary, Belleville

WOODSTOCK BRANCH ANNUAL REPORT

We also had a picnic and despite bad weather we held our Annual Christmas party.

Carol McLean had a mask accepted by the Ontario Craft Council for the South West regional competition which took place in the spring.

The highlight of the year for this branch was being the host for the 27th Annual meeting which was held in Stratford.
