The Annual Meeting is set May 8, 9 & 10 at the Vistors Inn Hamilton. Reminder to all - we need to be working on projects for the Weston trophy. Should anyone be applying for the Associate membership or Fellowship, please let the Fellows know so they can assist you with your articles.

To make our monthly meetings meaningful, we need your input on workshop ideas. Lester has suggested making key fob in the shape of little revolver and cowboy boot. These workshops only need to be 45 minutes. If there is any skills questions, this is our forum - so please don't be shy.
