

Leatherflowers

At the March meeting of the Woodstock Branch of the Canadian Society for Creative Leathercraft, Joy Hutcheson demonstrated and instructed in the construction of leather flowers. Carol McLean presided for the business session. The Woodstock Branch expect to have leather articles on display at the Woodstock Library and Art Gallery along with the June exhibition. May 23 is the deadline for articles for LEATHER '74 to be held at Toronto during June. This exhibit is to be one of several in connection with the meeting of the World Craft Council, in session at Toronto in the summer of 1974. The next meeting will be Thursday, March 28, 1974, Springbank Public School, 7:30 p.m. Interested leather workers are welcome.
