

Council of Fellows Report for the 2023 Annual Meeting

The Fellows of the Society met twice this past year, both meetings were held virtually. The first meeting was to firm up criteria for the third Virtual Annual Competition and the second meeting to judge the entries. The Members of the Society were able to send photographs (via email) of their work into the website, from the emails, the photos were uploaded to google albums. The Virtual Judges – Lauch, Kim & Karen were tasked to set up their own personal scoring systems and arrive at a score from 0 – 10 on each entry. The scores were averaged and sorted this gave an order of highest score to lowest.

Not being able to see, hold and understand the construction of the physical entry prove difficult but doable, the explanations of the work and techniques aided the process.

There were no entries to the Branch Competition (Weston Trophy) and no Items Entered for Associate and Fellow Consideration. The Table Items will be Judged on Friday Night.

We had 11 entries from 3 Members, - 3 General Members. 9 of the items were judged, one was interest only and one article had been previously judged. The works were awarded 5 Craft Certificates and 4 were Awarded Salon Certificates. The Judges were able to award The Robert Muma Award for Best Tooling or Colouring - \$50 Prize and Best in Show - \$50 Prize. The results and winners will be announced at the Awards Presentation following dinner on Saturday night.

Yours Truly

Lauch Harrison
Secretary of the Council Fellows of the CSCL
